Accidents, unfortunately are inevitable in busy working environments. However, the NDurance range of pallet racking upright protectors provide a cost-effective solution in the prevention of impact damage to your pallet racking uprights. The NDurance range is finished in high visibility yellow in order to reduce the chance of an accident occurring.

4-Sided Upright Protector

- The 4-sided NDurance Upright Protector protects both the front and sides of the upright.
- Height 400mm, Width 160mm, Depth 290mm.
- Perforations on the sides in order to add profiles protecting single or double runs at their ends or passageways.
- Mounting holes : 14mm diameter.
- Powder coated in high visibility Yellow (RAL 1007).

2-Sided Upright Protector

- Steel corner protector with 2-sided right angle design.
- Height 400mm, Width 245mm, Depth 245mm.
- Can be used to protect the corners of racking posts or fixed equipment from forklift or pump truck damage.
- Heavy-duty construction made from approx 4mm powder-coated mild steel plate.
- 4 holes to allow secure anchorage to ground.

Plastic Pallet Racking Upright Protector

- 600mm high Rack Guards for extra rack protection.
- Fits rack leg profiles from 60-80mm.
- Non-brittle plastic protectors with extra resilient reflex technology.
- Triple shock absorber for better all-round rack protection.
- TUV tested and EN approved.
- Fully recyclable product, manufactured in high-visibility Yellow.
- For safe and proper installation, we advise the purchase of a pair of NDurance Click tools.

NDURANCE LONGSPAN SHELVING

Our new range of NDurance Longspan Shelving is a cost effective yet high-quality heavy-duty shelving range. Build your shelving to your requirements by just adding extension bays to your starter bay.

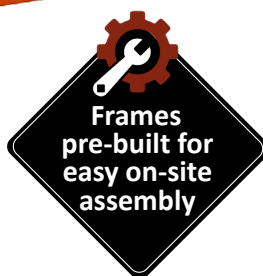

The NDurance Longspan Shelving range is perfect for commercial use in Warehouses, Factories, Schools and Colleges. The NDurance Longspan end frames are welded for strength and therefore require no assembly. Consequently, the assembly of the NDurance Longspan range is quick and simple. All shelf levels are supplied with 18mm chipboard as standard, meaning a heavy-duty and robust storage system.

COMING SOON

DELIVERY AREAS

Deliveries are made to a kerbside location during office hours Monday to Friday. Delivery outside of this location, or hours can be arranged for an additional charge. Details are available from our sales office. Delivery dates are estimates only & the company shall not be liable for any loss or damage resulting from any delay in delivery.

Call Off Orders - We accept call-off-orders provided the delivery data for all call offs is confirmed in writing on the purchase order. Once the order is placed, call off dates may not be changed except by prior agreement. Should call off dates not be confirmed at the time of order, we will price and manufacture the call offs as separate orders.

Off Shore Deliveries - We can arrange delivery at extra cost to off shore locations. Details are available on request from our sales office.

Payment Terms - Our payment terms are 30 days net end of month following the month of invoice for credit accounts. Credit accounts are available subject to status.

Returns - In the unlikely event of you wishing to return goods, please contact the sales department for authorisation. Manufactured to order and bespoke products cannot be returned into stock.

Please note that a re-stocking fee of 25% of the invoice value plus delivery costs will apply. Customers are expected to arrange transport of goods at their own expense.

Damages - If an item is delivered damaged we ask that the customer does not sign to accept the delivery, deliveries should only be signed for once inspected by the customer for signs of damage. We ask that any damages be reported to sales immediately who will arrange for a replacement to be dispatched.

Shortages - If items are missing from the delivery customers must notify sales immediately who will arrange for the missing items to be dispatched.

Refusal of Goods - If delivery of goods is refused, then a re-delivery will be arranged by our sales department and customers will be notified of the re-delivery costs.

Cancelling Orders - Please call us immediately should you wish to cancel an order. We accept order cancellations without charge provided we have not started to make your order. If production has started, cancelling your order will be subject to a cancellation charge in proportion to our incurred costs.

Product Design - We reserve the right to change the design of our products from time to time without prior notice. Images within this catalogue are correct at the time of going to press, but may differ at point of order. We also reserve the right to discontinue products. If you require a product to exactly match a particular design, please contact us before placing an order to ensure this is possible.

Colour Matching - Whilst we will always use paints manufactured to specified RAL numbers, no guarantee can be given to provide an exact match of colour or finish with previously made products.

Retention of Title - Goods remain our property until paid for in full.

Pricing - Please note that all prices listed are excluding VAT.
